## OBJECTIVE

Highly motivated and dedicated 3r year B.Tech Computer Science student at SR University with excellent academic record and keen interest in software development and web technologies, seeking an opportunity to secure a challenging and dynamic position in a reputable organization to expand my learning, knowledge, skills and to contribute efficiently towards company goals. I aim to further develop my professional expertise, collaborate with a diverse team and drive innovation while achieving personal growth and career development.

## EDUCATION

**B.Tech, Computer Science & Engineering** 2023-26  
SR University, Warangal. CGPA-10

**DIPLOMA, Computer Science & Engineering** 2020-23  
Government polytechnic, Warangal. CGPA-9.74

**Secondary Education(SSC)** 2020  
ST. Joseph Convent High School, Warangal. CGPA-10

## TECHNICAL SKILLS

- **Programming Languages** - C, C++, Java, Python
- **Web Technologies** - PHP, MySQL, HTML, CSS, JavaScript

## ACADEMIC PROJECTS

- **Movie Ticket Booking System**  
As a part of B.Tech (3rd sem) project on web designing, we made interface for booking online tickets for movies and to gather information about movies and theatres.
- **Sign Language Detection Using Convolution Neural Networks**  
As part of Diploma, Major Research Project (6th semester), we used Python language to detect the hand signs/gestures using camera and translating them into text that is useful for communication with mute people.
- **Creating Our Own Security Camera**  
As a part of Diploma, Minor Research Project (5th semester), we made our own security camera using Python to provide security check, making aware of mal activities that are happening in our absence, that alerts us when there is a moment in the object ignoring routine events.

## TRAININGS & WORKSHOPS

SIX MONTHS ASP.NET and Python training & certification. Dec 2023 - May 2023
